The screenshot displays the Jira Software web interface. At the top, there's a navigation bar with 'Jira Software' and various tabs like 'Your work', 'Projects', 'Filters', 'Dashboards', 'Teams', and 'Apps'. A search bar is also present. The main content area shows the 'Issues' page for the 'Scrum Development' project. The issue title is 'for managing the user' with ID 'SDE-1'. The interface includes a sidebar with filters, a main content area with the issue details, and a right sidebar with 'To Do' and 'Details' sections. The bottom of the screen shows a Windows taskbar with various application icons and the system clock.
