Creating Project:

Dashboard:

Sending Invitation :

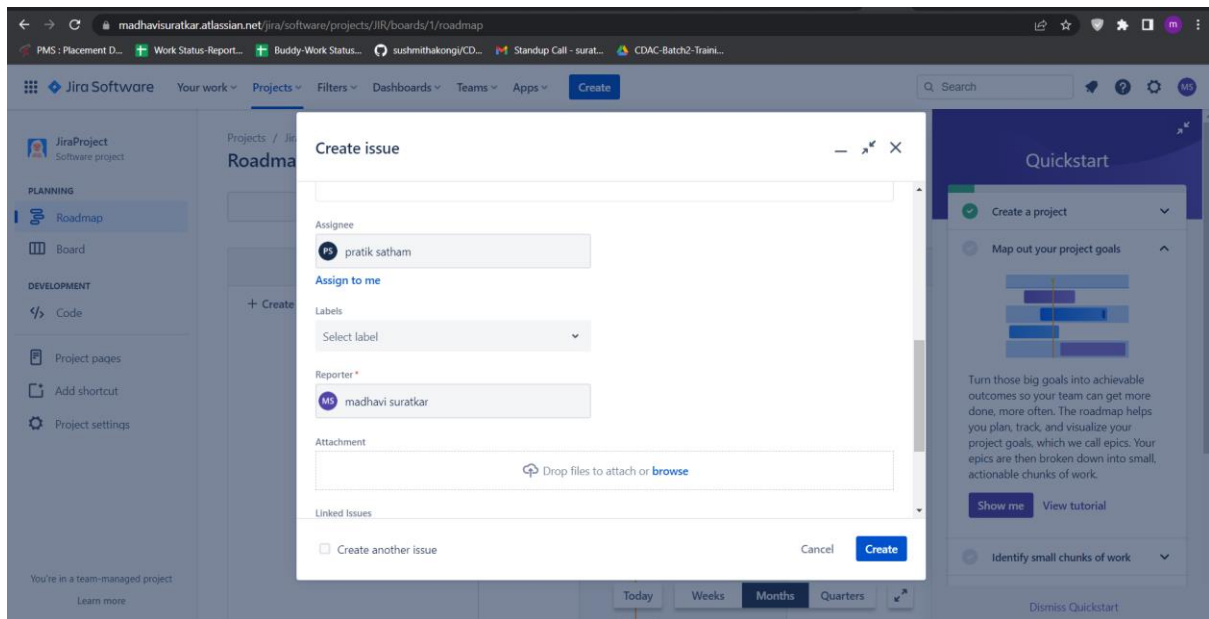

The screenshot shows the Jira Software interface. The main area displays the 'JIR board' with columns for 'TO DO', 'IN PROGRESS', and 'DONE'. A notification pop-up is visible, stating: 'Invite sent. You've added pratisatham.dbdamarch2022@gmail.com to your project. You'll see them on the board once they've been assigned an issue. View users'. The right sidebar contains a 'Quickstart' section with a 'Create a project' button and a 'Let work flow with kanban' option.

Creating issue :

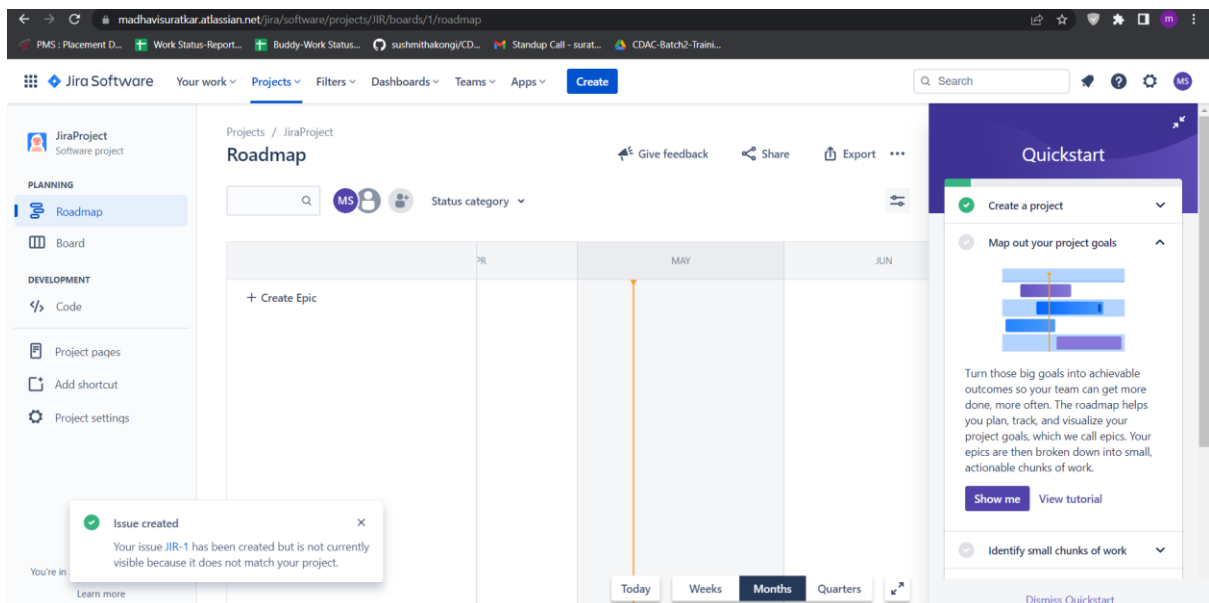

The screenshot shows the 'Create issue' dialog box in Jira Software. The dialog includes the following fields and options:

- Project:** JiraProject (JIR)
- Issue type:** Task
- Status:** To Do
- Summary:** Performance issues: These are issues that affect the speed and responsiveness of the application. For example, a web:
- Description:**

The dialog also features a 'Create another issue' checkbox, 'Cancel' and 'Create' buttons, and a 'Learn more' link. The background shows the 'JIR board' and the 'Quickstart' sidebar.

Issue Created :

Jira Software | Your work | **Projects** | Filters | Dashboards | Teams | Apps | **Create**

Search

JiraProject | Add epic / JIR-1

Performance issues: These are issues that affect the speed and responsiveness of the application. For example, a website that takes too long to load or an application that freezes or crashes frequently.
